

# DWELLING IN THE WORD

HOLY WEEK 2020

Dwelling in the Word is an ancient way of reading the Scripture. We spiritually submit to the text as one way God speaks to us, with a willingness to be shaped by what God might want to say. In this way, we are being interpreted by the text together as we listen to it.

---

We read the text.

Three questions guide our listening:

1. What caught your attention?
  2. What question would you want to ask a scholar?
  3. What are we hearing in this text (where might the Spirit be nudging us)?
- 

We respond together.
