Bread for the World is a collective Christian/Interfaith voice, with more than 100,000 members, urging our nation's leaders to end hunger at home and abroad.

Faith moves us to help our neighbors, whether they live in the next house, the next state, or the next continent.

Confronting the problem of hunger can seem overwhelming. What can one person possibly do? As it turns out, plenty.

We can end hunger in our time. Everyone, including our government, must do their part. Together, we can build the political commitment needed to overcome hunger and poverty.
